

AM-PM Pest Control

No job is too big or small and all rodents, insects and bird pests are covered including: wasps, mice, rats, ants, squirrels, bed bugs and mites, cockroaches, pigeons and foxes.

AM-PM Pest Control are a local company who deal with all types of pest and bird control from one off jobs through to regular service contracts for all sizes of business. We have over 15 years worth of experience in the industry and an insurance liability cover of £5m.

We can offer your business a tailor made contract cover which will ensure that you pay only for the service that your business needs.

AM-PM Pest Control deals with all types of domestic and commercial premises ranging from cafes, delicatessens, food shops and restaurants, as well as hotels, nursing homes, hostels and property management companies.

In this day and age, rodent, insect and bird pests can be a real problem causing you both loss of revenue and reputation so take your mind off of worrying about a potential pest infestation by calling now for your free survey and quotation or even a price comparison to your existing contract.

Contact us now for your free, no obligation quote or to discuss any other requirements on 01920 438719 (office) 07971 683162 (mobile) or via email: info@ampmpestcontrol.co.uk

All pests are safely removed or exterminated professionally by an NPTA certified pest technician.

We cater for pest control in domestic and commercial properties, privately rented properties and rented property or properties through a letting agency or letting agencies.

Member of: National Pest Technician Association
