Excerpt From the May 2015 Newsletter:

Early May sees the start of another season for Little Munden Cricket Club. After two very successful seasons and successive promotions we now play in Division 4 of the Herts and Essex Cricket League, with league games played until the end of August on a Saturday from 1.30 pm at the delightful little ground in Green End. Spectators are always welcome and the entertainment is free. In addition we are arranging some friendly games on Sundays which will provide an opportunity for new players to get a game. Dates for these are not yet confirmed. Practice nets are held on a Thursday evening at Green End, and provide an opportunity for potential players to join in. Like all clubs, we have a limited pool of players and new club members are always welcome.
