Be a dragon

The Dragons' Apprentice Challenge is a business innovation project that works with teams from schools across East Herts, linking them with local charities and the business community.

Would you like to be a 'business mentor' for a team taking part in the Dragons' Apprentice Challenge? If so please email [Penny Leighton](#) or [find out more](#).

Bin collections

August Bank Holiday

Please note that bin collections will be a day later as a result of the bank holiday. Check your [collections calendar](#) for your collection date.

Wise Guys

A new programme, *Wise Guys* is launching in the autumn and is dedicated to [supporting men who have experienced domestic abuse](#) and violence.

It's run by Future Living Hertford.

The company carrying out the redevelopment of **Hertford's Bircherley Green** has now appointed the demolition contractor who will carry out works to demolish the building.

The demolition will commence this week and the construction will get under way towards the end of the year with completion expected by the end of 2019.
