

## Hartham children's play area is crowdfunding

The play area is for residents, friends and visitors that come to Hartham Common and the childrens' play area.

The money raised from this crowdfunding campaign will go towards the central piece of the park- the nested tree house! The more can be raised the bigger and better that piece becomes. It is a bespoke design which is unique, innovative and will really pioneer imaginative play. Please [donate generously here](#) !

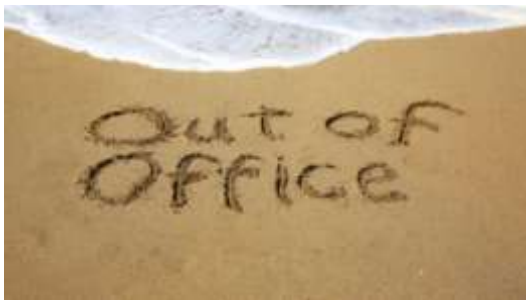

## Hertford Town Council calendar competition

Enter the Official 2019 Hertford Calendar Competition and your image could be selected for the front cover, or for one of the twelve months. Click [here](#) to enter or to find out more.

## Castle Park Wildlife Day
