Be winter safe

- Know your free emergency numbers - in a power cut dial 105 or, for a gas emergency, dial 0800 111999.
- Keep a torch handy and get your appliances serviced by a Gas Safe registered engineer. Contact your gas or electricity network to find out more. Visit www.energynetworks.org to find out who your network operator is.
- Keep an eye on the forecast and, if you have a power cut or gas emergency, check your neighbours.
